# Risk management

BlueOrange Bank pays particular attention to the identification and management of risks in its activities. The Bank considers the following risks as significant to its activities:

- ✓ Credit risk;
- ✓ Market risk (securities price risk, interest rate risk for non-trading portfolio, currency risk);
- ✓ Liquidity risk;
- ✓ Operational risk;
- ✓ Compliance risk, including Money Laundering and Terrorism Financing risk;
- ✓ Reputation, Strategic and Business risk.

The Bank's principles of risk management are established in its risk management policies, approved and supervised by the Board of the Bank. Risk management policies identify the qualitative and quantitative criteria for identification of risks related with the activities of the Bank, as well as the elements of risk management and control, including the procedure for decision making with respect of risk exposures, limits and other risk mitigation and minimization measures, as well as the responsibilities of respective structural units for ensuring control over exposures. The Bank's Board is responsible for the establishment, implementation, management and improvement of internal control in implementing the risk management policies set by the Bank's Council.

The Bank has designated the responsible employee for risk management — the Chief Risk Officer, who is responsible for performing the risk control function at the institution, monitoring of risk management system and coordinating activities all the Bank's structural units that are involved in risk management. The implementation of the policies is controlled by the Bank's internal control structures:

- ✓ Internal Audit Department;
- ✓ Financial Analysis and Financial Risks Management Department;
- ✓ Operational Risk Management Department;
- ✓ Client Activity Compliance Department;
- ✓ Compliance Department.

No significant changes in management of risks of BlueOrange Bank were observed during the reporting period. Information on risk management is available in the [Bank's Annual Reports](#) and the [Capital Adequacy Assessment Report](#) on the Bank's website.
