

INSTRUCTIONS FOR INTEGRATING BLUOR E-COMMERCE GATEWAY WITH OPENCART

www.bluorbank.lv

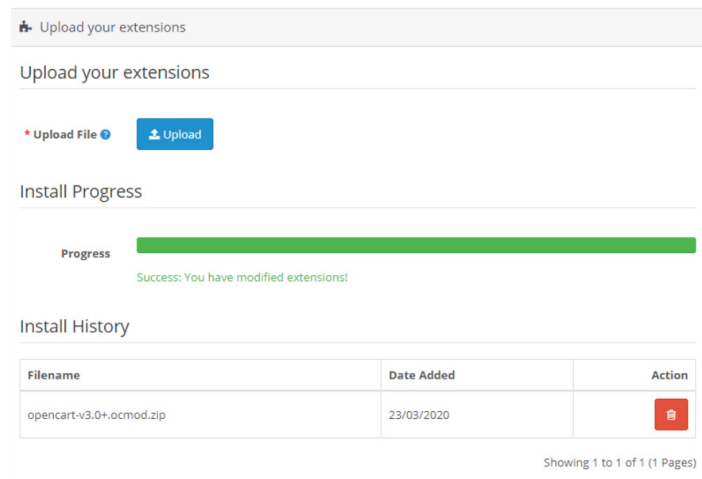

STEP-BY-STEP INSTRUCTION

Compatible with Opencart versions: 3.0.0.0 – 3.0.3.2

1. Download the plugin zip file from https://gateway.bluorbank.lv/ecommerce_modules/opencart-v3.0+.zip.
2. In the administrator panel of your store, go to **"Extensions"** -> **"Installer"**:

3. Press **"Upload"** and select the file you downloaded in Step 1. After that, the plugin will be installed:

4. Next, go to **"Extensions"** -> **"Extensions"**, and filter the extensions by type **"Payments"**:

5. In the list, find BluOr E-commerce Gateway , and press **“Install”**:

6. After installation, on the same place, press the **“Edit”** button (clicking this button, will open the plugin settings):

7. Enter **“Brand ID”** and **“Secret key”** values in plugin settings:

BluOr E-commerce Gateway Configuration

Enable API Enable API

Enable payment method selection Enable payment method selection
If set, buyers will be able to choose the desired payment method directly in OpenCart

Change payment method description
If not set, "BluOr E-commerce Gateway" will be used

Change payment method title
If not set, "Select payment method" will be used. Ignored if payment method selection is disabled

* Brand ID
Please enter your brand ID

* Secret key
Please enter your secret key

* Order payment success status -- select an option --
Will be set on the order upon customer getting to the payment success page

* Order payment error status -- select an option --
Will be set on the order when payment attempt results in error

You can use the **“Brand ID”** and **“Secret key”** from the Merchant's cabinet at <https://gateway.bluorbank.lv/login>. After entering the values, do not forget to check the **“Enable API”** checkbox and save the settings page.
