Strategy and Mission

Baltikums Bank is an international bank that provides a wide range of financial services to individuals and businesses. Its private bankers and client service specialists are supported by a solid operations infrastructure, an extensive range of wealth management services, an international network of partners, and representation in major business hubs throughout Europe and worldwide. The Bank operates efficiently and generates considerable operational income while keeping expenditures at a level that is competitive in Latvia. The Bank offers banking, investment, and financing services of the highest quality and consumer value to high net worth private persons who want to trust us with their financial solutions and are interested in developing sustainable business relations.

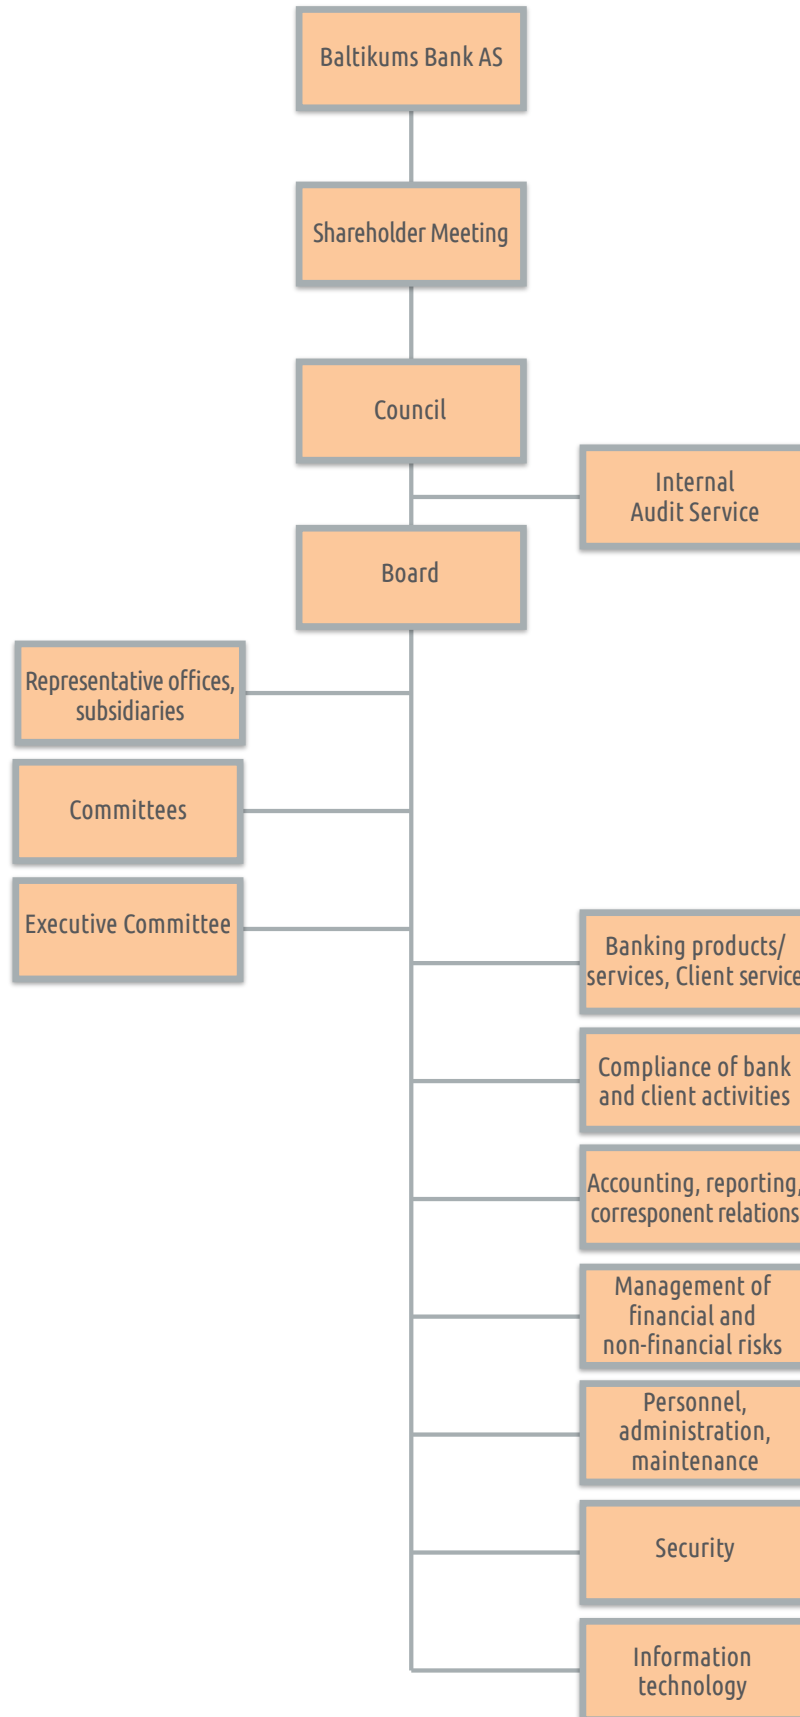

The Bank provides high-quality banking products and services to its target clients. As a priority, the Bank develops lines of business that correspond to its commercial model and core competencies, allowing it to leverage its strengths on highly competitive markets while taking on acceptable levels of risk.

The Bank's long-term business priorities are banking, investment service, and lending.

The target client base of the Bank is aligned to its key development goals:

- ✓ High net worth individuals, medium-sized and large companies that require a wide range of services for capital and asset management;
- ✓ Corporate entities and merchants engaged in international trade and services;
- ✓ Financial organisations and institutional investors that require highly professional service for settlement and financial market operations.

Analysis of Risks

In its activities, Baltikums Bank pays great attention to risk identification and management. The Bank considers the following risks to be substantial for its operations:

- ✓ Credit risk;
- ✓ Market risks (securities price risk, interest rate risk in the non-trading portfolio, currency risk);
- ✓ Liquidity risk;
- ✓ Operational risk;
- ✓ Compliance risk, including money laundering and terrorist financing risk;
- ✓ Reputational risk, strategy and business risk.

The Bank's risk management principles are laid out in its risk management policies, which have been approved and supervised by its Council. Risk management policies define qualitative and quantitative criteria for identification of risks related to the Bank's activities, risk management and control elements, the procedure for making decisions on risky transactions, limits and other measures for risk mitigation and minimisation, and the obligations of structural divisions with regard to controlling risky transactions. Enforcement of the policies is supervised by the Bank's internal control units:

- ✓ Internal Audit;
- ✓ Financial Analysis and Financial Risk Management Department;
- ✓ Operational Risk Management Department;
- ✓ Client Activity Compliance Department;
- ✓ Compliance Control Department.

Risk management is ensured by the following committees:

- ✓ Credit Committee;
- ✓ Investment Committee;
- ✓ Client Activity Compliance Control Committee;
- ✓ Non-financial Risk Management Committee.

During the reporting period, Baltikums Bank had no significant changes in risk management. Information about risk management is provided in the [annual reports](#) and the [Internal Capital Adequacy Assessment Report](#) on the Bank's website.
